

VERSALINE 27 U DIFFUSER | 600

Miniature surface mount linear luminaire for T-Bar ceilings

Product Description

Versatile and flexible would be the best words to describe the genius of the Versaline 27 U Diffuser luminaire. Presented in a long, sleek housing the Versaline 27 features a patented clip system for easy installation without tools. Which means it can also be relocated just as easily after installation.

Versaline is versatile too in lighting control. It is available as either non dim, trailing edge dimming, DALI or Casambi versions. This Versaline 27 luminaire version features unique U diffuser to increase vertical illuminance.
