

# LOOP 80 | SURFACE & SUSPENDED

Customisable linear lighting solution

## Product Description

Designed and made in Australia the Loop 80 is a completely customisable and versatile linear lighting solution. The magic of this luminaire is that it presents beautifully and performs brilliantly without imposing on the overall design aesthetic.

This amazing luminaire features a circular diffuser that provides exceptional efficacy and soft upward light. Available with Variable Output Technology the Loop 80 ensures complete lighting control and performance for the user.

## Product Details

Absolute luminous flux p/m	1022lm - 3875lm
System watts p/m	9W / 12W / 17W / 21W / 26W / 30W
Colour deviation	3 SDCM
Colour rendition Index	>80 / >90
Correlated colour temperature	3000K / 4000K
Cyanosis approval	Available with 90+CRI 4000K
Lumen maintenance	L80B10 up to 72,000hours
Dimming method	Non dimm / DALI / Casambi
Driver	Integral / Remote
Material	Extruded aluminium body, polycarbonate diffuser
Optic	Opal diffuser
Mounting	Suspended / Surface mounted
Accessories	End caps / joiners / suspension / coverplate
Housing colour	Black / White / Custom
Length	Custom lengths made to order
Country of origin	Australia

## CUSTOM LUMINAIRE MODIFICATIONS
