

SYSTEM 60 | RECESSED

Customisable linear lighting solution

Product Description

Designed and made in Australia the SK60 recessed is a completely customisable and versatile linear lighting solution. The magic of this luminaire is that it presents beautifully and performs brilliantly without imposing on the overall design aesthetic.

This amazing luminaire also features a dual optical system that enables both exceptional glare control and beam intensity. Available with Variable Output Technology the SK60 recessed ensures complete lighting control and performance for the user.

Product Details

Absolute luminous flux p/1120	2010lm - 3491lm
System watts p/1120	18W / 23W / 28W
Colour deviation	3 SDCM
Colour rendition Index	>80 / >90
Correlated colour temperature	3000K / 4000K
Lumen maintenance	L80B10 75,000hours
Dimming method	Non dimm / DALI / Casambi
Driver	Integral
Illumination	Direct
Housing material	Extruded aluminium body
Optic	PMMA Clear Lens & PC Louvre
Louvre Finish	Black / White
Mounting	Recessed
Accessories	End caps / joiners / coverplate
Housing colour	Black / White / Custom
Length	Custom lengths made to order divisible by 280mm
Country of origin	Australia
