

# VERSALINE™ 27 | 358 TRACK

Miniature linear luminaire for track mounting

## Product Description

Discreet and flexible would be the best words to describe the genius of the Versaline 27 track luminaire. Flexible, movable lighting has become an integral part of modern interior design and multi functional spaces. The Versaline 27 track luminaire provides all the features of a recessed or surface mounted luminaire while providing optimum flexibility and longevity to a space.

Versaline is versatile too in lighting control. It is available as either non dim, DALI or Casambi versions. This brilliant luminaire uses a Dual Optic System to control glare and maintain beam control.

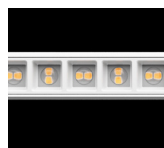

## Product Details

Absolute luminous flux	721lm - 1120lm
System watts	7W / 9W / 11W
Colour deviation	3 SDCM
Colour rendition Index	>90
Correlated colour temperature	2700K/ 3000K / 4000K
